

The way forward: A better story in whole person healthcare

Tuesday January 12th 2021

This morning webinar will explore how primary care can recognise spiritual factors in healthcare, embrace social prescribing and GP Chaplaincy to more fully honour personhood in patients. It is organised by the [Association of Chaplaincy in General Practice](#). There will be a mixture of presentations, small breakout groups on chosen topics and the opportunity to submit questions to a panel for live discussion.
